As part of the FFY 2008 Homeland Security Grant Program (HSGP) rollout, the Arizona Department of Homeland Security (AZDOHS) will be sponsoring regional information sessions regarding the application process. These sessions will cover the AZDOHS vision for FFY2008, department updates, HSGP timeline and necessary paperwork for submissions from statewide stakeholders, and will give guidance as to the FFY2008 requirements. Although FFY2008 will be similar in many ways to the FFY2007 HSGP, we have streamlined our process for efficiency and effective disbursement of grant funds.

Please plan on attending the respective meeting listed below for your region. If you are unable to attend the meeting in your region, feel free to attend another region's presentation. All meetings will run approximately 2 hours.
